Licensure and Certification Notification

Graduates are eligible to sit for the certification examination given by the American Registry of Radiologic Technologists (ARRT) and must pass to become Registered Technologists. However, the ARRT has a policy of not allowing persons who are convicted of a felony or gross misdemeanor to take the national certifying examination. Because of this policy, there may be an inability of those with such a conviction to work in the profession.

Information regarding this policy can be found on the ARRT webpage:

<http://www.arrt.org>
