North Idaho College Practical Nursing Program

Point System for Admission Selection for Entry into Fall 2017

- A. Applicants who have met the following admission requirements for the program and submit a complete application by the application deadline will be considered (see College Catalog for details on admission requirements).
1. High school diploma or GED by the application deadline.
 2. Prerequisite Courses – MCTE 102 (formerly MATH-102), CHEM 105 (CHEM 101 if successfully completed prior to fall 2013) or a year of high school chemistry with lab or PHAR 150, PSYC 101, ENGL 099 or 101.
 3. Minimum cumulative GPA of 2.50 calculated on completed degree requirements.
 4. Minimum grade of C/2.0 GPA must be earned in each required course.
 5. A valid Certified Nursing Assistant certification by any U.S. state must be submitted by the application deadline and maintained through the first semester of the program
 6. Have completed by August 14, 2017 an approved Medical Terminology course of at least 2 semester credits with a grade of C/2.0 or higher from an accredited college. - B. Points will be awarded for grades earned in courses appearing on the official transcript at the application deadline and that meet the requirements for the Practical Nursing Certificate. No points are awarded for the High School diploma or GED, valid CNA, or Medical Terminology course. The following point system will be used:
- **MCTE 102 (formerly MATH-102), ENGL 099 or 101, PSYC101: A=4, B=3, C/2.0=2, P=3.**
 - **CHEM 105 or PHAR 150, BIOL 175: A=8, B=6, C/2.0=4, P=3**
(high school chemistry will count as a P grade.)
 - Courses with grades of **P** (pass) or **S** (satisfactory) and courses that have not received a grade due to advance placement will be awarded **3 points**.
 - Courses which have been documented as **waived** do not receive grades or credits and will not be awarded points, but will be accepted as meeting program requirements.
 - If students have completed BIOL 227 and 228 within the last 7 years with a grade of C/2.0 or better, those grades will have a point value of A=4, B=3, C/2.0=2 for each course as a substitute for BIOL 175. BIOL 227 and 228 completed prior to fall 2010 do not meet the 7-year eligibility requirement.
 - **Repeated courses:** the most recent course grade will be used.
 1. Courses which are greater than seven years old can be repeated once for full point value.
 2. **Courses which are less than seven years old, if repeated, will be worth half the full-point value.**
- C. A pre-admission assessment exam will be administered prior to the application deadline.
The total possible points for this exam will be 10.

D. **Two points** will be awarded to residents of Idaho's five northern counties (Benewah, Bonner, Boundary, Kootenai and Shoshone). Residency status will be determined by the Admissions Office based on information submitted on the North Idaho College application.

E. Additional information:

- The minimum GPA of 2.50 for program eligibility will be calculated on English 099, 101 or 102, MCTE 102 (formerly MATH-102), PSYC 101, CHEM 105, 101 or PHAR 150, and BIOL 175 which have been completed and appear on the transcript at the application deadline.
- Applicants using AP, CLEP or other test scores for a course to meet a degree requirement must submit a paper copy of the scores if the test score is not listed on the transcript. COMPASS, SAT or ACT Test scores are valid for two years from the test date.
- In the event that there are applicants with an equal number of points, and the number of applicants (who are tied) outnumber the remaining open positions in the program, the following system will be used to determine who is selected:
 1. Applicants with an equal number of points (tied) who have provided appropriate documentation of military service will be put at the top of their point category. If there continues to be a tie, then:
 2. GPA, as defined above, will be used to rank the remaining tied applicants. If there still continues to be a tie, then:
 3. A random drawing of all the remaining tied applicants will be held for the final slot/s.
