IMPORTANT ADDITIONAL INFORMATION:

- Within the final acceptance letters, there will be details regarding the mandatory orientation. **Accepted students must appear in person at the Coeur d'Alene campus on the scheduled date and time in order to retain their acceptance status.**
- The minimum cumulative GPA of 3.0 for program eligibility will be calculated on degree requirement courses for the A.S. in Nursing which have been completed and appear on the transcript at the application deadline
- A minimum grade of C/2.0 must be earned in each required general education course
- If applicants have more than one course that will meet a degree requirement (i.e. three GEM 5 courses), the courses meeting the requirement with the highest grade will be used in GPA calculation.
- In the event there are applicants with an equal number of points, and the number of applicants (who are tied) outnumber the remaining open positions in the program, the following system will be used to determine who is selected:
 - Applicants with an equal number of points (tied) who have provided appropriate documentation of military service will be put at the top of their point category. If there continues to be a tie, then:
